

Health Concerns

Due to the fact that we have a number of students in the school who are allergic to nuts, one being so sensitive that the mere smell of peanuts could bring on an anaphylactic reaction, we are asking that everyone in the school **refrains from bringing any food containing nuts** in to school. We hope that our students can appreciate that we all have a duty to look out for the welfare of all those in our school.

Your co-operation in this matter is very much needed and will be very much appreciated.

This message will be reinforced via all school assemblies and Form groups.

Many thanks for your understanding and cooperation,

Mrs C Rawdon (V.P)
