

C2K Password Reset from Home

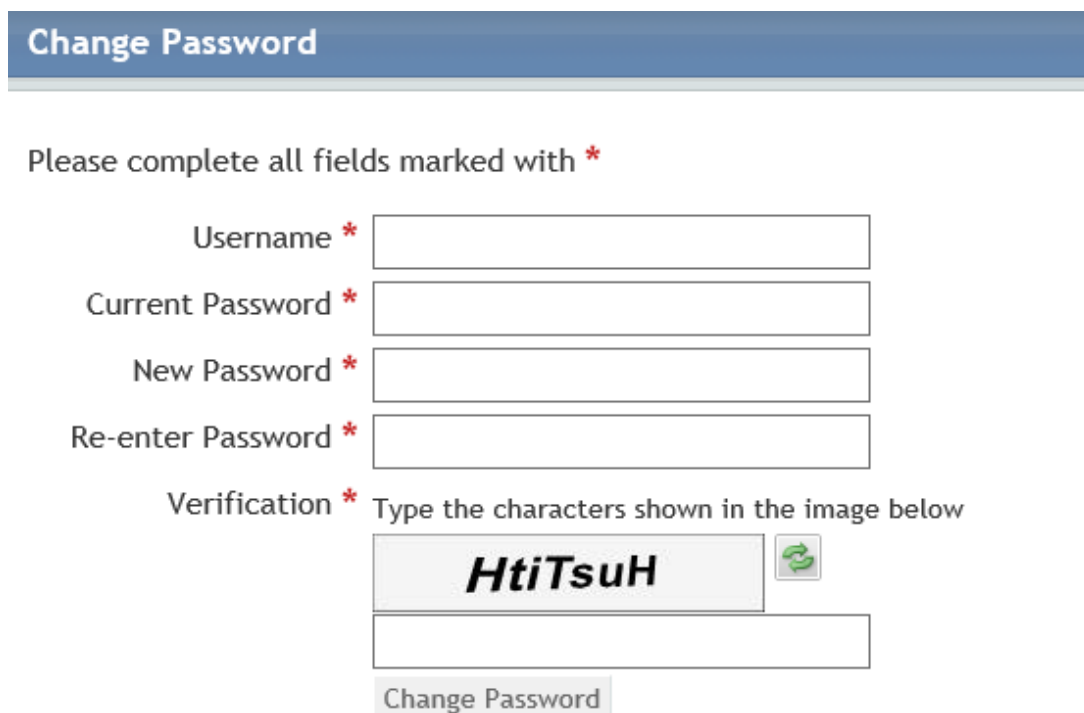

C2k passwords automatically expire 120 days after they were last reset in order to maintain a level of security on the system.

If a password expires, or needs to be reset and the user knows their old password.

Then go to - <https://services.c2kni.net/ums/>

Enter the required details as per the screenshot below and the new password will be registered

New password should be at least 8 characters long and cannot be one that has been used before.

The screenshot shows a web form titled "Change Password". Below the title, there is a instruction: "Please complete all fields marked with *". The form contains the following fields:

- Username * (text input)
- Current Password * (password input)
- New Password * (password input)
- Re-enter Password * (password input)
- Verification * (text input with a label "Type the characters shown in the image below")

The verification field shows a CAPTCHA image with the text "HtiTsuH" and a refresh button. Below the verification field is a "Change Password" button.

Need Help?

If you experience problems remember, you can send an email from your parent/carer's account to the following address: lcchelp2020@gmail.com

Emails should contain the following details:

- Student name (e.g. John Bloggs)
- Student username (e.g. jbloggs123)
- Registration group (e.g 9f)
- Parent/Carer's contact details.

This email address will be monitored regularly.
