

Lumen Christi College

Key Stage Three Keywords

You should use this booklet to help you with your spelling and also with your homework. **You can add new words at any time.**

Remember, you should use a dictionary to help you with words that are not included in this booklet. Using a dictionary and thesaurus will improve your vocabulary and spelling.

Spell Check

Technology and Design

mandatory	panel pin	tensol cement
prohibition	isometric	line bender
mechanism	thermoplastics	vacuum former
lever	thermosetting	jig and former
pivot/fulcrum	acrylic	pattern
effort	rigid polystyrene	ergonomics
load	biodegradable	anthropometrics
voltage	semi-conductor	linear motion
insulator	capacitor	rotary motion
conductor	signal resistor	material properties
resistor	power resistor	linkage
LED	negative rail	pivot (or fulcrum)
negative rail	positive rail	reverse motion linkage
positive rail	toggle switch	bell crank
drill bit	PTM switch	equalising linkage
wood grain	polarised	push-pull linkage
PVA glue	non-polarised	wood plane
mahogany	transistor	coping saw
plywood	PCB	tenon saw
redwood	specification	strain energy
mitre	design brief	ball pein hammer
CAD	concept drawings	marking gauge
		milling machine

Subjects

Art and Design
Citizenship
Drama
Employability
English
Geography
Home Economics
History
Information and Communication Technology
Maths
Music
Physical Education
Religion
Technology and Design
Science

Art and Design

abstract	design
appreciation	dimensional
architecture	effort
art	enlargement
artist	etching
baroque	evaluate
black	explore
classical	favourite
collage	form
colour	gothic
complementary	icon
computer	image
consistency	impressionism
contrast	line
craftworks	logo
description	montage
designers	observe
	oil painting
	paint

Science

independent	refraction
intestine	reproduction
kinetic	residue
length	resistance
material	respiration
mineral	respiratory
muscle	separation
nucleus	stigma
oxidation	style
periodic	sulphur dioxide
permanent	system
plumule	technique
pollination	temperature
potential	thermal
protein	thrombosis
pulmonary	vacuole
radiation	variable
radicle	vein
reactivity	ventricle
reduction	vitamin
reflection	voltage
	volume

Science

adaptation	convection
alkaline	coronary
alveolus	current
amplitude	decomposition
anther	density
aorta	dependent
artery	digestion
atrium	displacement
bronchioles	distillate
bronchus	distillation
capillary	duodenum
carbohydrate	electrical
cardiac	eutrophication
cholesterol	evaporation
chromatogram	filter funnel
chromosomes	filtrate
ciliated epithelium	filtration
circulation	frequency
circulatory	germination
condenser	hypogeal
conduction	incidence

Art and Design

painters	secondary colours - orange
painting	green
pattern	purple
perspective	select
photomontage	shade
photograph	shading
pointillism	shape
potters/pottery	space
preparation	surrealism
presentation	symbol
primary colours - red	techniques
yellow	texture
blue	tone
print	visual elements—line
renaissance	colour, tone, shapes, forms,
romantic	texture, pattern.
sculpture/sculptors	water colour painting

Citizenship

diversity
inclusion
equality
justice
conflict
democracy
active participation
Assembly
parliament
council
election
minister
beliefs
attitudes
cultural artefacts
discrimination
ethnic diversity
ethnicity
globalisation
individual identity
learning intentions

minority
multiculturalism
openness
personal capabilities
prejudice
racism
reconciliation
sectarianism
social responsibility
stereotypes

Religion

penance
Pentecost
Presbyterian
programme
references
relationship
Sacrament
Sacrament of the Sick
self-confidence
self-esteem
spiritual
statement

Religion

advent	Epistles
assessment	Eucharist
attitudes	evaluation
awareness	experience
baptism	freedom
Bible	Gospels
Catholic	Holy Orders
Chaplain	knowledge
charity	Lent
Christian	Liturgy
commandment	Matrimony
communication	Methodist
community	misconception
concept	New/Old Testaments
confirmation	occasion
co-operation	opinion
development	pastoral
effects	peer pressure

Drama

acting	puppets
audience	rehearsal
body language	role-play
character	set design
costumes	stage
dance	tableau(x)
empathise	theatre
facial expression	theatrical
forum theatre	thought tracking
genre	
gestures	
hot seating	
improvisation	
masks	
mime	
performance	
physical theatre	
production	
props	

Employability

auditory
career
conscientious
criteria
desired
Entrepreneur
entrepreneurship
emigration
European Com-
munity
essential
global economy
kinaesthetic
learning styles
Migration
persuasive
planning
qualities
self evaluation
skills

Physical Education

observe	tournament
participation	training
passing	umpire
physical recreation	understanding
practise	vaulting
observe	volleyball
participation	soccer
passing	tactics
physical recreation	teamwork
quality	technical
recording information	technique
recreation	
referee	
responsibility	
rhythm	
safety	
satisfaction	
sequence	

Physical Education

activity	confidence
aerobics	control
analyse	endurance
apparatus	equipment
appreciate	facilities
athletics	fitness
attacking	flexibility
awareness	friction
ball familiarisation	Gaelic football
basketball	gravity
breathing	gymnastics
catching	hygiene
coaching	individual
communication	informed judgements
competence	javelin
competition	knowledge
co-operation	leisure
co-ordination	muscles
concentration	

English

adjective	grammar
alliteration	hyperbole
allegory	illustrate
apostrophe	imaginative
autobiography	Irony
assonance	metaphor
character	narrative
conjunction	onomatopoeia
commentary	opinion
comprehension	passage
couplet	personification
critical	phrase
description	poetry
detailed	pronoun
develop	question
discuss	quotation
expression	reference
extract	rhetorical
genre	rhyme

English

rhythm
sentence
sibilance
simile
stanza
summary

Music

sacred
sextet
silence
solo
Stravinsky
structure
texture
tempo
timbre
Time Signature
traditional
trio
trombone
trumpet
Treble Clef
tuba
viola
violin
volume

Music

accordion
ago go bells
ballet
bar
bar line

beat
blues
brass
cello
choir
clarinet
classical
claves
decay
Double Bass
duet
dynamics

Geography

Map Skills

Antarctic Circle
Arctic Circle
contours
contour interval
direction
grid references
international date line
key
latitude
layer colouring
longitude
ordnance survey map
plan
relief
scale
spot height
symbols
triangulation pillar

Weather

anemometer
aspect
anticyclone
ascend
barometer
Beaufort Scale
climate
compass
condensation
convictional rainfall
depression
descend
evaporation
frontal rainfall
hygrometer
humidity
isobar

Geography

meteorology	death rate
Microclimate	demographic transition
millibars	model
North Atlantic Drift	internal
precipitation	infant mortality rate
pressure	international
rain gauge	internal
relief rainfall	life expectancy
satellite	migrant workers
thermometer	natural increase
symbols	population density
synoptic chart	population distribution
	population
	push/pull factors -
	voluntary/forced migra-
	tion
birth rate	rural-to-urban migra-
commuters	tion pyramids

Population - Migration

Modern Languages

adjective	pronouns
adverb	singular
agreement	regular
aspirate	singular
aspiration	regular
broad	singular
conjugation	syllable
definite article	tense
dentals	verb
exception	weak
eclipse	
feminine	
indefinite article	
irregular	
masculine	
noun	
prefixed	
preposition	

Maths

percentage
perpendicular
polygon
protractor
quotient
radii
radius
rhombus
scalene
statistics
supplementary
tessellation
trapezium
variable
vertex
vertices

Geography

Economic Activities

agriculture
arable farming
commercial farming
crofting
economic activity
European Community
farming
food mountains/food lakes
fossil fuels
intensive farming/extensive farming
manufacturing
mixed farming
natural resources/raw materials
non-renewable resource
pastoral farming
pollution
primary industry

Geography

physical/ human factors
quaternary industry
renewable resources
Science and Business Park
site for a factory
secondary industry
subsidies
subsistence
tertiary industry

Maths

adjacent	diameter
algebra	equation
allied	equilateral
alternate	equivalent
appreciation	evaluate
angle	factor
arithmetic	formula
biased	geometry
calculate	hypotenuse
calculator	interest
complementary	investigation
composite	isosceles
computer	mathematics
congruent	modal
correlation	parallel
corresponding	parallelogram
depreciation	

Information and Communication Technology

import text	refine a search
information	rename
internet	row
link	search
load	search engine
menu	shut down
mouse	sort
pamphlet	spell-checker
paragraphs	spreadsheet
paste	table
publishing	technology
previous page	text
print	values
questionnaire	word processing
import	
import picture	

History

Year 8

apprentice	kingdom
bailey	knight
baron	manor
Bayeux Tapestry	medieval
conquest	monastery (ies)
charter	motte
crusade	parliament
Domesday Book	pilgrimage
feudalism	plague
guild	witan
	source

There are a large number of proper nouns which you also need to learn e.g. Normans, House of Parliament, Archbishop of Canterbury etc. You must remember that these terms need capital letters.

History

Year 9

abuses	expansion
architecture	exploration
Armada	Glorious Revolution
artist	heretic
belief, beliefs	Jacobite
civil	monarch
Christopher Columbus	patron
colonisation, colony	Penal Laws
conquest	perspective
consequence	plantation
Counter-Reformation	political
discovery	Presbyterian
Divine Right	primogeniture
divorce	privateer
economic	Reformation
excommunicate	religion/religious

Information and Communication Technology

address	decimal places
alignments	delete
amend	desktop
bookmark	disc drive
borders	document
browser	double-click
cells	download
click	drag
column	edit
communication	field
computer	floppy disk
copy	font
create	format
currency	formula
cut	frame
data	import
databases	import picture

Home Economics

protein
radiation
refrigerator
resources
roasting
safety
social
stereotype
technique
visible
vitamins

History

Year 9

Renaissance
revolution
servitor
siege
slavery
soldier
succeed (succession to the throne)
treaty
undertaker
Voyages of Discovery
Williamite
woodkerne

History

Year 10

absentee	
Anglo-Irish	flying columns
aristocracy	guerrilla warfare
auxiliaries	immigrant
Black and Tans	independence
boycott	Irish Parliamentary Party
by-election	obstructionism
conscription	partition
constituency	proclamation
constitutional	
covenant	
Dail Eireann	
democracy	
emigrate/emigrant	
eviction	
Fenians	

Home Economics

additives	high blood pressure
anaemia	intellectual
anorexia	iron
bacteria	jewellery
baking	management
carbohydrate	minerals
cholesterol	non starch polysaccha- ride
conduction	nutrients
consumer	nutrition
convection	nutritious
coronary heart disease	obesity
emotional	performance
equipment	perishable
fat	physical
food processor	polyunsaturates
freezer	pregnant mother
frying	preservatives
grilling
