

ECO CODE

LITTER

Litter on the school grounds
should be decreased
In certain areas at least

There is too much litter
all around

Take your time to pick it
up off the ground

All should participate
in litter collections

During a pastoral
lesson in the
schools
different
sections

WASTE

Plastic bottles and unused stationery
Are just a pain to carry

So go to your closest
recycling bin

And take a minute to
put them in

And paper as well
Put them in the
right bin

To avoid the
smell

BIO-DIVERSITY

Birds should be everywhere
On the ground and in the air
Wild life in the school grounds
should be increased

Vegetation and insects too
North, South, West and East
Woodlands should be
made a new
a home

All the animals have
For them to
explore
land
roam
