Miss Diffley welcomed the newly elected Eco-Committee and explained the 7 stages of the Green Flag application process, with the help of the video link shown above.

- Eco-Committee roles and sub-committees.
Students were asked to think about the role and responsibility they would like to assume as part of the Eco-committee such as Chairperson, deputy Chairperson and Secretary. These will be appointed next Wednesday 6th December.
- Environmental Review.
Miss Diffley explained that the first step is to review our school's current position, using the Environmental review. The outcome of this review will enable us to identify the 3 areas for focus this year. Each member of the committee took responsibility for one aspect of the environmental review as follows:

Sarah-Jane	Biodiversity
Niamh	Litter
Magali	Waste
Thomas & Cora-Leigh	Global Perspective
Eisa	Energy
Matthew	Water
Niall	Transport
Katie	Outdoor Learning
Izieduwa, Sadbh, Aoife	Climate Change & Healthy Living

The outcomes of the reviews will be discussed at the next meeting- Wednesday 6th December.

With no other business to attend to, the meeting ended at 4pm
